The Vatican has announced **Blessed John Henry Newman** will be canonised on Sunday, 13th October 2019. In February, the Pope signed a decree recognising a second miracle attributed to Blessed John Henry Newman, the inexplicable healing of a woman with a "life-threatening pregnancy". He was one of the most prominent converts to Catholicism from Anglicanism of the 19th century. He was already an esteemed Anglican theologian when he founded the Oxford Movement, to return the Church of England to its Catholic roots, before he himself converted to the Catholic faith. He was renowned as a brilliant thinker and was made a cardinal by Pope Leo XIII. He died in 1890, aged 89.
